DUAL ADMINISTRATION (Optional)

This function requires two administrators to set up, modify, and delete users.

- Cancel Dual Administration - Note: When switching from dual to single administration, any pending users will remain in a pending status. Please verify User status before requesting to cancel Dual Administration.
Enable Dual Administration - If selected, you must have at least two administrators. Note: The Bank recommends at least three.

SECURITY ALERTS SETUP

Automatic Security Alerts are enabled for the administrators of your SVB Online Banking account to ensure administrators are aware when changes or additions are made to user profiles. These alerts can be disabled or enabled on a company level or user level. We recommend all alerts be enabled as a valuable security control within your company.

Company Level

By checking the boxes in this section, the type of alert will be disabled or enabled for all administrators listed on the form.
